

# Reading Your Water Bill

A handy explanation of how to read your monthly water bill.

Cycle Date NOT Read Dates

100 cf = (750 gallons)/per unit  
# of units

Radio transmitters are only estimated if repairs are needed. Call Public Works at 815 943-0301 for an appointment. All other meters are estimated every other bill. When the bill is estimated, it will say ESTIMATE instead of ACTUAL.
