

Want to Become a Volunteer?

We are looking for volunteers to connect with seniors on the phone and possibly via zoom! Connect with those that are at home and could use a friendly voice.

Make the difference in the life of a senior today.

Can you spare 30-45 minutes a week to connect with someone who has some of the same interests as you do? Share some stories? Share some laughter? Share a smile over the phone? Call 815-943-2740 to volunteer or go to our sign up form: <https://forms.gle/CqMECwzEqs1JLa6C6>
