**Online Petition Requesting Harvard Officials Vote No on Allowing Backyard Chickens on Residential Properties.**

**We the undersigned citizens of Harvard IL request that our City Council reject any ordinance or zoning changes, or both, that would permit the raising of chickens or other fowl, goats, or any other farm or wild animals within City limits on any land not already zoned to permit same.**

**Name**

Craig Woodhouse

**Signature**

A handwritten signature in black ink that reads "Craig Woodhouse". The signature is written in a cursive style with a large initial 'C'.

**Comments**

I feel that with the smaller size of lots in the city, we should not allow livestock to be raised. I am sure that some residents would follow the ordinance and be respectful but am sure there will be many abusers, as there are already people abuse the current ordinance. For the good of the community I would appreciate your vote no on this issue. Thank you!
